Subject: FW: invitation to SEJ panel

This request was originally for the Chair of the Science Advisory Board to participate on the panel discussion topic of "Science in the Trump Administration." Ms. Shogren thought Dr. Honeycutt was the EPA Science Advisor. She was forwarded to me by Dr. Honeycutt's offices. I explained the SAB Chair is not the appropriate position and offered to forward her request to the Office of Public Affairs. Please see below for the Society's request for a panelist.

Subject: invitation to SEJ panel

Mr. Carpenter.

Thank you for speaking with me.

I'm moderating a panel on October 5 about science in Trump administration as part of the Society of Environmental Journalism's annual conference, which this year will be in Flint, Michigan.

I would greatly appreciate if Jennifer Orme-Zavaleta would participate in the panel.

The conference will be in Flint Michigan. Each panelist will be asked to give a brief opening statement and then we will field questions from the audience and I will likely ask some questions as well. Panelists will be encouraged to engage each other as well. Perhaps Orme-Zavaleta could speak briefly about why the Trump administration proposed its secret science rule: <https://www.epa.gov/newsreleases/epa-administrator-pruitt-proposes-rule-strengthen-science-used-epa-regulations>.

I would be very grateful if you would relay the invitation.

Thank you.

Best wishes,
Elizabeth Shogren
